

Zinc Plated Duplex Wire Rope Grips

Bright Zinc Plated Finish

Product Overview

Our Zinc Plated Duplex Wire Rope Grips are an economical and easy-to-use solution for creating eyes or joins in wire rope. The 2-bolt (duplex) design provides a reliable termination and can be assembled quickly with simple hand tools. These grips are coated in a **bright zinc plate** for corrosion protection, making them suitable for a wide range of general-purpose and outdoor tasks such as fencing, shade sails, and other non-critical applications.

Important Safety Notice: These wire rope grips are NOT to be used for any lifting, load-bearing, or safety-critical applications. For lifting, please use certified components.

Technical Specifications

The following table outlines the key dimensions for our range of zinc plated duplex wire rope grips.

WIRE DIAMETER	LENGTH (L)	WIDTH (W)
2mm	38mm	7.5mm
3mm	38mm	10mm
4mm	47mm	12mm

WIRE DIAMETER	LENGTH (L)	WIDTH (W)
5mm	51mm	14mm
